

More details for Chelsea Children's Coop

- collect two paper grocery bags full of small and/or unusually shaped cardboard or plastic items from recycling

We're looking for two paper grocery bags with things like plastic orange mesh bags, cardboard jewelry boxes, cardboard egg containers, small plastic beverage bottles, single serve yogurt cups, and plastic blueberry containers. For example, I just saved the little plastic containers my monthly contacts come in! The idea here is to use items that would ordinarily go into the trash or recycling - don't buy anything special.

- cut out an assortment of 100 or so 5-7 inch leaves (paper can be provided - we have lots!)

These will be used to decorate a woodland play area in the classroom, so they can be a variety of different shapes and cutting freehand is perfectly fine. Check the FUMC Lobby for a box of paper and some sample leaves and some stencils to use.

More Details for Letters to Chelsea Hospital

All those staff working in person should be included – medical workers plus laundry, front desk, cleaning staff etc.

The hospital employees over 1000 people with 300-250 on site on any given day.

Flat cards/drawings are preferable as they can be posted on walls and huddle boards for everyone to see more easily than cards that fold open.

More details for Silver Maples Valentines

60 residents. Simple positive messages appreciated.

Valentines can be mailed directly to Silver Maples, c/o Winn Mahoney, 200 Silver Maples Drive, Chelsea MI 48118.
